market leader - nationwide

# ONLY UNISEARCH

## Leading Experts

Only Unisearch, through its association with the University of New South Wales, brings together the cream of Australia's leading academic and industry professionals to offer you the very finest experts.

## Breadth of Expertise

Only Unisearch can boast the most comprehensive expert opinion base in Australia, a fact even acknowledged by our competitors. With a team of more than 2,000 experts, whatever your requirement, we can assist you.

## Understanding Your Needs

Only Unisearch experts undergo our special training program designed so that they understand your profession and the pressures you face during litigation. Our background training will save you precious time at the briefing stage.

## Your Choice of Support

Only Unisearch has the depth of skills and the flexibility of approach to offer you a range of expert opinion services, from individual consultants, to panels of experts, to multi-disciplinary teams to best match your needs.

## Smooth Sailing

Only Unisearch's superior project management strategies ensure an effective working relationship, from brief to completion.

## Objective and Independent

Only Unisearch has a 40 plus year record of success in the provision of reliable, unbiased expert opinion to your profession.

Why trust your case to anyone else?

*Only Unisearch Expert Opinion Services successfully partner the legal and insurance professions. Only Unisearch is market leader nationwide.*

Unisearch has a proud history of partnering Australia's professional and business community, through the provision of Expert Opinion Services, Expert Consulting Services and Technology Commercialisation.
